

Revista Epistemologia

ISSN 2526-4761

The "Revista Epistemologia" is a philosophy journal focused in epistemology (theory of science, knowledge etc) and his interfaces.

In a first moment, the articles are published in Portuguese, promoting a specialized publication of these themes in lusophonic countries. In a next future, we going to publishing in English and Spanish too.

Our journal is totally online and published under Creative Commons license. Our ISSN is 2526-4761.
